

RASHMI R K

Engineering Student

62826 48084 @ rashmirahul716@gmail.com Trivandrum

SUMMARY

I am a flexible Tech Science student centered on AI applications, content production, and web architecture. I harness modern software and diverse communication skills to craft agile, imaginative digital products. My proficiency in application mastery and proactive learning helps me tackle sophisticated tasks and deliver top-tier results in every project I undertake

EDUCATION

BE Computer Science and Engineering 08/2023
Good Shepherd College of Engineering and Technology

PROJECTS

Mobile App Development: FreeTraining Date period
Location

I developed a native fitness application using Android Studio, focusing on responsive XML layouts to create an intuitive user experience. This project demonstrates my ability to translate technical concepts into practical, high-quality mobile solutions.

- What was a successful outcome of your work? (e.g. Raised \$3,000 for the charity)

SKILLS

Fast Learner · Gmail · HTML · Java · Python · Lightroom · Video Production

STRENGTHS

- Rapid Learning**
Proven ability to quickly master new technologies, tools, and technical frameworks
- Tech-Focused**
I am a versatile Computer Science student specializing in AI, full-stack development, and media editing.
- Creative-Developer**
I excel at rapid learning and solving sophisticated problems to produce top-tier work across various domains.
- Impact-Driven**
I utilize technical ecosystems and diverse communication to execute streamlined, high-quality projects.
